

Highland Band

Here's the fun stuff happening in Band over the next two weeks! Super fun! Super awesome!

November 24 & 25: Special rehearsal for marching band. One hour INSIDE after school every day. They are preparing something very special to play at the matinee concert. Just one hour after school. They should not miss and they will LOVE the song.

December 1 and 2 6:00pm: Solo and Ensemble Concerts. Your child is scheduled on one or both of these nights depending on how many ensembles they are in. PLEASE COME! First of all, the performances are amazing. You will get to see many of the kids play solo for the first time. We need people in seats.

December 4 7:30PM: Concert and Jazz Band Concert. This is the second most fun concert of the year (see below). Please, please come and help us fill every seat. You will love the music.

December 5 10:00AM: Matinee Concert! This is probably the most fun concert... but alas... it is a recruiting concert for the Elementary and Junior High Schools. We can't have any parents attend because every seat is packed with kids! Love you anyway!

Then have an incredible Holiday!
