

HIGHLAND BAND

THANK YOU!

Thank you to all the families and friends that came out to support the band at our first Home Game last Friday night. It was great to sit together and my hope is that you met someone new! Don't forget to talk to the parent NEXT to you at the very least! Thanks for hopping on my crazy train and cheering with me for the band. We will continue to "train" on the appropriate moments to whistle, clap and cheer. The kids were soooo happy to hear the excitement from the stands. I know it made a difference to them, because they told me.

Volunteers for the Next Game...

Don't forget to go on CHARMS and signup for your chance to support the band. Remember that we need every family to volunteer for at least one event each season. We still need a lot of volunteers for the upcoming game.

Hair Braiding

Thanks to many of you for sending your girls with hair ALREADY braided last Friday. That was a huge help! We still need more hair braiding volunteers for Friday though. BOYS... you need to cut your hair! Get it done, or you will be wearing a hair net again. (ewww.)

Marching Band will be a gift that will continue to give for the rest of your child's life. What they learn here will teach them to be exemplary leaders in the future.

Chipotle Night

Our next dinner night is THIS Wednesday, September 17 at the Dana Park Location from 5-9pm. You must bring a flyer with you. The flyer is available on FB. Please print it out and bring it with you.

Tell your friends also. Chipotle is VERY generous and donated 50% of the proceeds of the evening to the Band. We MUST have a flyer though to get credit.

ALL MARCHING BAND

PAYMENTS ARE DUE!!!

We unfortunately have a large number of families who have not paid their fees in full. We need this to get resolved immediately. I am in the process of booking our VERY FUN tour to California, and we need everyone to pay their fees so we can finalize the arrangements. If you have a question or concern, you need to forward them on immediately to either Mr. Bennett kevin.bennett@gilbertschools.net or Eldon Forcey hhsbandtreasurer1@gmail.com

TAX CREDITS!

Don't forget that you can hit up friends, grandparents, etc. to make a tax credit donation in your child's behalf. You really don't need to pay a dime out of your pocket for band fees. Remember that the person that submits a tax credit donation will get 100% of that money back in their tax return. Think of it like a loan.

Popcornopolis

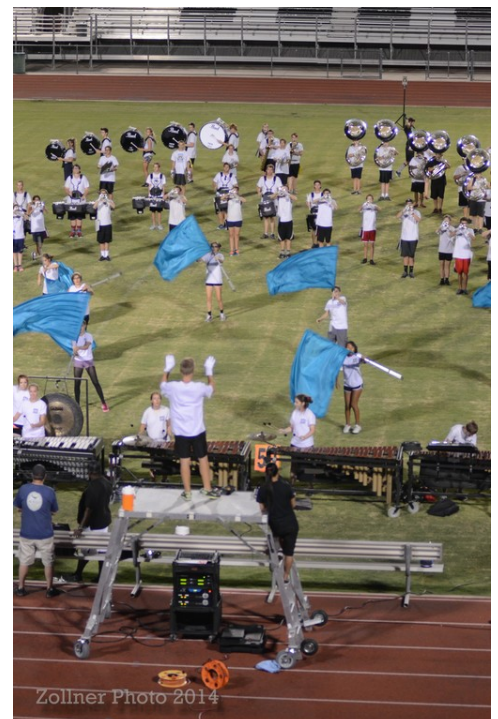

Pickup for popcornopolis is after school on Thursday, September 18.

YOU MUST PICK IT UP. Please don't forget.

Apparel Line— Not just for Marching!

We put in our first order for the Apparel Line today. You can pick up your order at the **MERCHANDISE** table on Friday at the Football Game. See last page for pictures and pricing!

We will have sample items that you can feel and touch on Friday, but we will not have any stock for you to purchase on site.

We made a lot of money on this fundraiser last year. The football parents supported us too. If you know football families, please remind them that we are doing this again. We will have one of our trailers out in the back parking lot with a big sign to collect throughout the ENTIRE day. If you drop your child off in the morning, you can bring your donation bags and drop them with the ladies in the front parking lot. We will have signage. Don't forget to ask your neighbors, and other families if they have items they would like to get off their hands.
